ALL-UKRAINIAN SCIENTIFIC AND PRACTICAL CONFERENCE WITH INTERNATIONAL PARTICIPATION "IV ODESABIBLIOSUMMIT"

On June 9-11, 2023, Odesa National Scientific Library will host the **All-Ukrainian Scientific and Practical Conference with international participation "IV OdesaBiblioSummit"**, which is part of the national complex event of socio-cultural, scientific and communicative direction INTELLECT-FORUM.

OdesaBiblioSummit serves as a platform for communication, creates a space for dialogue and discussion of topical issues of professional activity, for exchange of experience, creation, development and implementation of innovative practices of information, library, educational, socio-cultural activities.

The conference aims to consolidate the efforts of scholars, practitioners, and experts in addressing topical issues regarding the role and place of information, cultural, scientific, and educational institutions in the development of the book ecosystem of Ukraine; *to promote* cross-sectoral cooperation aimed at strengthening and enhancing the role of cultural institutions, creative industries, and memorial institutions in the processes of preserving, protecting, and popularizing Ukrainian culture; *to define* strategic goals and plans for further activities on the cultural front.

The following issues will be discussed at the conference:

- cultural and memorial institutions under martial law: experience of overcoming challenges and threats;
- cultural heritage sites during armed conflicts: protection, preservation, restoration;
- models of cross-sectoral cooperation in the field of culture and creative industries;
- the role and place of information, cultural, scientific, and educational institutions in the development of the book ecosystem of Ukraine;
- digital projects of libraries, archives, and museums in the information space of Ukraine and the world;
- library in the realities of wartime: a space of safety, social adaptation and psychological comfort;
- successful practices of book and reading promotion: practical advice, cases, and best practices.

The event will include a panel discussion, breakout sessions, a workshop, a lecture, a master class, etc.

Scholars and leading professionals from libraries, archives, museums of Ukraine and abroad, library and information specialists, educators, cultural experts, representatives of public organizations, state and local authorities, and representatives of creative industries are invited to participate in the conference.

The participants will be offered a rich program of professional communication prepared in cooperation with the leading libraries of Odesa and Odesa region - Odesa Hrushevsky Regional Universal Scientific Library, Odesa Regional Library for Youth, Odesa Regional Children's Library, Centralized City Library System for Children, and Ivan Franko Central City Library.

The event will be held at Odesa National Scientific Library in a mixed format (online/offline).

Participation is by prior [registration](#).

Applications will be accepted until June 5, 2023.

All registered participants will receive an electronic certificate after the event.
